

# Magnet Walls

by Original Works

## RESERVE YOUR SPOT ON THE WALL

we invite you to take advantage of an exciting new way to prominently display your child's full-color artwork.

Introducing the Original Works Magnet Wall.

Sure to brighten any hallway or room, this temporary wall will be constructed from our legendary magnets, and provides a very special opportunity to spotlight your child's work of art right on the wall of their school!

Each child's work will be showcased on a sturdy, fully laminated magnet in beautiful right-to-the-edge color. The enclosed information provides complete details on this very special program.

Thank you for taking the time to review this information. We hope you will consider participating as we work to create a truly unique celebration of artwork at your child's school.
