Something for Everyone!

A NOTE FROM OUR FOUNDER

When I started Original Works in 1989, my vision was simple: to celebrate creativity while helping schools and organizations raise meaningful funds. More than 35 years later, that passion remains at the heart of everything we do.

We believe that every child's artwork is a masterpiece, and our mission is to turn those masterpieces into keepsakes that families will cherish for a lifetime—all while supporting the programs that inspire young artists to dream big.

Carol Newlin, President & Founder

At Original Works, we make fundraising fun, flexible, and rewarding. **This year, we're excited to introduce new enhancements designed to make your experience even better—including a FREE set of prints for students.** From our dedicated team to our high-quality products, we're here to ensure your experience is seamless and successful.
