

Online Gallery

ART FUNDRAISER

JUST A CLICK AWAY

TAKE YOUR FUNDRAISER ONLINE!

Our Online Gallery Program offers students, teachers and families the opportunity to view their artwork in a Virtual Art Gallery, display it on various products, and make purchases online in a safe and completely secure site.

FEATURES INCLUDE:

- **Customized Letter:** Families receive a customized letter featuring their child's information and artwork image.
- **The Gallery:** Each child's masterpiece is "hung" in the gallery, allowing families and students to take a "virtual" tour.
- **The Virtual Product:** Families view products featuring their child's artwork. This allows them to see the product before they order.
- **Electronic Ordering:** Orders are placed directly online using a credit card or e-Check.
- **No Order Handling:** All orders are transmitted directly to Original Works. This eliminates order handling and payment collection at the school. All orders are then packaged and returned to the school for distribution.
- **33% Profit:** All initial and future orders placed through the gallery will earn a profit of 33%.
- **Free Supplies:** Art paper, posters, lesson plans and marketing materials are provided free of charge.
