

LOOK WHAT'S HAPPENING AT OUR SCHOOL!

Dear Family:

This is to let you know that our school will soon be offering you a special opportunity to turn your child's very own artwork into a full-color ceramic tile that will be permanently installed in a wall of the school.

Your child will have fun creating artwork in school, using the regular school curriculum as the basis for their work of art. An information packet containing a color flyer, order form, project description and your child's work of art will be sent home in the next few weeks. When it arrives please take a few minutes to review the information. We hope you will be able to take advantage of this very special opportunity.

We are excited about this event and hope that you will be too. Look for more information coming soon!
