- 3D MATERIALS
- SCRATCH ART/SCRATCH BOARD
- STICKY/MESSY ARTWORK

- COPYRIGHT/TRADEMARK ITEMS

- FLUORESCENT, NEON, METALLIC
- COLORED OR LEAD PENCILS

Erase unwanted marks, pencil lines and smudges

details online: [www.originalworks.com/artwork](http://www.originalworks.com/artwork)

**Hold the artwork across the room.**  
**Can it be seen clearly?**

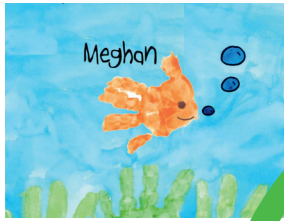

**Yes** - Great! Your art will reproduce well.  
**No** - Darken areas that are too light to be seen. Outline details with marker. Skin tones must be heavily covered and as opaque as possible

**Rub your hand across the artwork.**

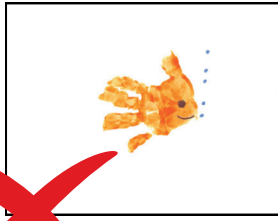

If residue comes off on your hand we will not be able to process it. Please re-spray the artwork with a fixative.

**Try This!**

**CREATE ART  
THAT SELLS!**

Fill the  
entire art  
paper.

**Avoid adding  
details to the  
edges.**

**Cropping  
does occur  
during  
reproduction!**

**PRO TIP:**  
Add 1" border to keep details from  
the edge.

**HAVE ARTISTS SIGN AND  
DATE THEIR MASTERPIECE  
(USE OUR SIGNATURE  
TEMPLATE TO AVOID THE  
EDGE)**

Secure all  
pieces of  
collages to  
ensure they  
don't fall off.
